## **FINNISH PAPER ENGINEERS' ASSOCIATION TO SUPPORT PAP FOR RUSSIA 06**

*Bethesda, Maryland (November 21, 2005)* – Organizers of PAP FOR RUSSIA, the largest and longest running event for all of Russia's paper-related industries announced today they have received the support of the Finnish Paper Engineers' Association (PI) for PAP FOR RUSSIA 06. The Finnish Paper Engineers Association was founded in 1914. PI is a joint forum for professionals working in the Finnish forest cluster. The Association currently has around 2 700 members and over 30 corporate members, among which are the biggest companies in Finland's forest cluster. John Gallagher, Senior Vice President, E.J. Krause & Associates, Inc., said, "We are extremely pleased to have the support of this prestigious organization. PAP FOR RUSSIA has always been supported by Finnish industry. We are happy to now have the support of this world renowned Finnish technical association." Pirkko Molkontin-Matilainen, President of PI said, "We are now ready/ Time has come also for the association to be involved in Russian Pulp and Paper events -for this first time the board of PI has decided to be a partner/supporter to the PAP FOR Russia 06 , organized by Krause. In addition to the normal contributions of a supporter PI will be pleased to provide the conference with some state of art presentations.

### **About The Finnish Paper Engineers' Association. PI:**

Founded in 1914 and having over 30 company members as well as 2700 individual members PI is one of the most recognized and active associations in the field.
